2019-2020 Verification Worksheet

Independent Student - Tracking Group V1

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your spouse (if married) reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified

1. Tax Return Filers

Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2017 or had a change in marital status after December 31, 2017.

Instructions: Complete this section if the student and spouse filed or will file a 2017 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of *FAFSA on the Web* at FAFSA.gov. In most cases, no further documentation is needed to verify 2017 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

Check the box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2017 IRS income tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2017 IRS income tax return information into the student's FAFSA.
- The student and/or spouse is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school with a signed **2017 Federal IRS Tax Return**.

In most cases, for electronic tax return filers, 2017 IRS income tax return information is available for the IRS DRT. Generally, for filers of 2017 paper IRS income tax returns, the 2017 IRS income tax information is available for the IRS DRT or the IRS Tax Return 2017 IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

If the student and spouse filed separate 2017 IRS income tax returns, the IRS DRT cannot be used and the **2017 IRS Federal Tax Return(s)** must be provided for each.

- Check here if a **signed 2017 IRS Tax Return** is provided.
- Check here if a **signed 2017 IRS Tax Return** will be provided later.

2. Nontax Filers

The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and spouse will not file and are not required to file a 2017 income tax return with the IRS.
